Byrna’s Adventure and 10th Anniversary!

It’s finally time to celebrate Dominion’s anniversary properly: have fun, get rewards, and, of course, wrestle the birthday cake back from the Archdemon himself! 🎂

But that’s not all. Byrna has arrived in Dominion, and her Adventure begins today. Coincidence? We highly doubt it. This year, Byrna’s story and Dominion’s anniversary are woven together into one big celebration filled with battles, mysteries, and rewards!

🔥 **Complete a chapter of Byrna’s Adventure first, and only then will the battle against the Archdemon begin!** 🔥 Of course, no Dominion birthday celebration would be complete without a fight for the cake, and this time that battle is woven directly into

the Adventure itself. Use the Heroes gathered along the way, deal as much damage as possible, earn Cake Pieces, and improve the rating. The stronger the result, the better the rewards!

🌟 Alongside the Adventure, you can get Byrna's Battle Pass, packed with useful rewards. Byrna's Skin can be obtained from the free reward track, and upgrading it will require Exclusive Skin Coins from the Battle Pass and other event activities.

🛠️ The updated Hero Stall is still here, but that's only part of the story. Right before the second battle, the path forward leads to a choice between three Talismans, each granting the team a special bonus that lasts until the end of the chapter, so it's worth choosing wisely!

🪙 As for the event shop, one important detail is worth keeping in mind: this time, the first six items can only be purchased once, so Adventure currency should be spent carefully.

🌊 The Mysterious Island has a little more this time, too. Alongside the thematic Adventure area and its rewards, players also can activate Dominion Lighthouses and collect even more festive rewards over time.

Push deeper into Byrna's story, fight for the cake, climb the rankings, and make the most of Dominion's 10th anniversary celebration!
